

## **Bywell C E (C) Junior School performance information as measured by End of Key of Stage 2 SATs.**

The Government has set floor targets for all schools to achieve. A target of 65% of all pupils achieving 'At Age-Related' expectations in Reading, Writing and Maths was the required National Threshold for the end of the academic years 2018/19, 2017/18, 2016/17 and 2015/16. If a school did not meet this threshold, then the school needed to have demonstrated sufficient progress in Reading, Writing and Maths from the pupils relative starting points. Bywell C E (C) met the floor targets as well as the government stipulated progress measures.

### **Headline figures**

A scaled score of 100 means the children have achieved 'At' age-related expectations. A score above means they have performed better than that and a score below 100 means they children have performed less well than that.

#### **Reading achieved standard:**

		<b>2018/19</b>
School	-	86.6%
LA	-	69.5%
National	-	73.2%
