

Health and Safety letter

Tuesday 12th September 2023

Dear Parents/Carers,

Several Parents/Carers expressed their concerns about the parking situation outside school this morning. This included: cars mounting kerbs; children being dropped off in the middle of the road; and a gridlock of cars trying to pass each other in opposite directions. All which created a dangerous environment for our children.

To support the safety of all children, we are asking our families to adopt a voluntary one-way system at the start and end of each school day.

The one-way system means cars enter towards school on Bendigo Road and exit via Selso Road. By adopting this system, all children are being kept as safe as possible. This system also enables supports access to the area for emergency services. I would like to thank you in advance for your support with this and accepting that keeping children safe is the responsibility of everyone.

Please refer to the image below for how the voluntary one-way system should work. The red arrows indicate your way towards school via Bywell Road and Bendigo Road. The blue arrows indicate your exit after drop-off, down Selso Road, right on to Rumble Road and back towards Bywell Road. This system should be used at all times.

Kind Regards

Ms Z Adam

Head Teacher
