

## Big Sing – Christmas Songs

9<sup>th</sup> November 2023

Dear Parents/Carers,

Musica Kirklees will be hosting a family Christmas Sing workshop at Bywell school on **Thursday 16<sup>th</sup> November at 3.15pm** which will be run by their fantastic voice teachers. This free workshop will teach you and your child(ren) several popular Christmas Songs and equip you with everything you need to join in the Big Sing at the Dewsbury Christmas Light Switch On on the 2<sup>nd</sup> December.

The workshop will start with a simple warm up and then launch into the festive songs that have been chosen for the Big Sing on the 2<sup>nd</sup> December. The event on the 2<sup>nd</sup> December will bring the community together in song just before the Christmas Light Switch On.

Everything is free – the workshop, resources and the Big Sing are all free. We just need your voices on the 2<sup>nd</sup> December! Come along and join your children to sing at this wonderful community event, and start your festive season off together with other families in Dewsbury.

Your child must be accompanied by an adult, and will not be allowed into the rehearsal or the Big Sing without a responsible adult. The school or Musica Kirklees are not responsible for your child on the night of the event.

### Big Sing Details
