

06/03/24

Dear Parents and Carers,

I have just received communication from Mrs Pickup (Head Teacher at Shaw Cross) that some of our children who enter their school grounds with their Parents/Carers after school to pick up siblings have not been behaving appropriately.

Mrs Pickup has shared that some children are damaging school property, including garden equipment and mud kitchen equipment.

Please help your children to always make good behaviour choices.

Thank you for your continued support.

Kind Regards

Ms Z Adam

(Head Teacher)
