

Friday 28th June 2024

Dear Parents/Carers,

Sports Day

It was lovely to see so many families attend Sports Days last week. The children had a super time participating in all activities set. Our Sports Leaders were a credit to the school. Well done everyone and thank you Mrs Rawsthorn for organising the event.

School Games Mark

The School Games Mark is a government-led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Participating in this process allows schools to evaluate their PE provision and assists them in developing an action plan for future progress. I am absolutely delighted to share that our school achieved the 'Gold' award. This is the highest possible and testimony to our school's hard work. Thank you Miss Rawsthorn (again!) for leading the school through this rigorous process.

Transition

The team have been working really hard to organise classes for next year. This includes time between teachers to discuss every child.

There will be some changes which have been made in the best interest of all children. The classes are now finalised and will be shared with the children on Monday 1st July. All children in Year 3, 4 and 5 will access school on Tuesday 2nd July (National Transition Day) using their current doors. Following registration, they will spend the morning with their new class teachers and adults that will support them next academic year. Parent/Carers will receive a School Ping on the Monday notifying them about which class their child has been allocated too.

Have a lovely weekend!

Ms Z Adam, Head Teacher
