Dear Parents and Guardians,

We are excited to share that your child will be bringing home a book from our school library this week! Building a love for reading is one of the most powerful steps toward your child's learning and success.

Our classes visit the library once a week. During this visit, your child will have the opportunity to choose a book. Each book will be electronically logged to your own child's account which they can change during their class library slot or they can renew the book if they need longer to finish it

To help your child get the most out of this experience, we kindly ask that you read the book together. Sharing a story provides a wonderful opportunity to talk, bond, and build crucial literacy skills.

Because our library is a shared resource for the whole school community, we must work together to look after these books. Please help your child find a safe, clean place to store their library book while it is at home, keeping it away from food, drinks, pets, and younger siblings.

Please note that **if a book is returned with significant damage or is lost, you will be required to pay for the replacement cost of the book.**

Thank you for your support in fostering a love for reading and helping us take care of our school library. Happy reading!

Ms Adam
