Dear Parents/Carers,

We are very pleased to announce that we will be working with the organisation Grow to School. They will be working with the Year 5 children over the coming year to teach them about growing food, nature and to experiment with science outdoors through the Growbag food growing project.

An outdoor practitioner will visit our school each half term with the first session on Tuesday 13th October. These sessions will be outdoors in all weathers so please ensure your child brings a coat to school that day and a pair of wellies. We do have a small supply of wellies in school for anyone who is struggling to find a pair.

We can't wait to get started!

Thank you

Mrs Spon-Smith
