## School Social Media Accounts

Dear Parents/Carers,

Good Evening

I am pleased to announce that school has created two new social media accounts across the Meta platform: Facebook & Instagram.

The pages will be used to help promote the school, events that are taking place within the school and on occasions, used to celebrate achievements and successes.

As school transitions to trying to be more active across the two platforms, please bear with us. School will post as and where possible without posting an overwhelming amount of content.

School would like to remind parents/carers that parental consent for your child to be photographed or videoed for school publications (including marketing material, school website and social media platforms) can be responded to via the Arbor Parent Portal/App. ***Children's names will never be shared on either social media account.***

If you have any questions, please do not hesitate to contact school.

Regards,

Mr Huffinley, School Business Manager.
